COLPRIT AWARD

The Helen A. Colprit Memorial Fund was established in 1967 by the family and friends of Helen A. Colprit and the Pioneer Garden Club of Dover. Its purpose is to encourage interest in horticulture and the beauty of nature, with the hope that a greater number of students will make it their life's work. It is given annually to a senior for outstanding work in a horticulture class.

In 1986 the name of Ernest S. Colprit, husband of Helen S. Colprit was added to the name of the fund. He was an outstanding horticulturist and landscape designer.

This award may be presented annually at the FFA State Convention and is due to the Granite State FFA Executive Director approximately 30 days prior to the convention.

Please mail completed application to:

Granite State FFA Executive Director
